### **Clairsentience (clear feeling)**

You clearly feel the energy of others— and know exactly who to trust.

Clairsentience is the empathic ability to feel and sense the emotional energy of people, animals, spirits, and places around you. You are sensitive to the feelings of others, and often will experience their emotions in your heart and in your body.

### **Claircognizance (clear knowing)**

You clearly know the right decisions to make in your life.

The ability to 'just know' information – which often comes to you spontaneously – out of the blue! Sometimes this information can come in the form of facts and figures, other times, it comes in the form of simply a certainty when making a choice or evaluating a relationship or situation.

Each one of us has some combination of the above gifts, at varying degrees of strengths, and we can choose to develop them at any time. I developed my new online course *Opening Your Psychic Portals* to help YOU to identify and enhance the gifts that you were born with.
